Gaetan has been practicing law since graduating from the University of Ottawa in 1987. He also holds a Bachelor's Degree (Honours) in Geography and Planning from the same University.

Immediately after law school Gaetan began his career in Toronto with a large Bay Street firm comprised of 80 lawyers, where he focused in the areas of Wills & Estates, Corporate-Commercial and Real Estate Law.

In 1996 Gaetan returned to Ottawa to set-up a full-service private practice with the idea of providing more personalized service to his clients.

As the firm's founder, Gaetan oversees the firm's strategic direction, guiding AGBL's employees in the use of a client-focused, holistic approach that identifies both the business and personal aspects of a client's needs.

A key member of the legal team, Gaetan manages the Estate Administration and Will Planning departments and provides mentoring for junior lawyers.
